ISNetworld Ranked 35 on Dallas 100 List

Dallas, TX, December 3, 2008 – ISNetworld (ISN) has earned a spot on the Dallas 100 list as the 35th fastest growing company in the Dallas Metroplex. The Dallas 100 was established by SMU's Caruth Institute for Entrepreneurship and recognizes the fastest growing privately owned companies across Dallas.

Dag Yemenu, Director of Safety for RAVS at ISNetworld added, "ISN is proud to be named the 35th fastest growing company of the 18th Anniversary Dallas 100 list. This accomplishment reflects the devotion of our clients as well as our employees' drive to make ISN the best in our industry. We will continue our endeavor by expanding our company globally and by setting our customer service standards high in order to exceed the quality and excellence our clients expect."

President of ISNetworld, Joseph Eastin, stated, "It is an honor to be recognized on the Dallas 100 list. As an entrepreneur, watching our company grow at such an outstanding rate has been a true accomplishment. We have created jobs while helping maintain the safety and health aspects of the work environments of our Owner Clients and Contractors. We sincerely appreciate our dedicated ISNetworld team and the support and guidance of our 16,000 clients."

About ISNetworld

ISNetworld provides an online contractor/supplier management database designed to meet internal and governmental health, safety, and environmental requirements. ISNetworld Review and Verification Services (RAVS) validate contractor/supplier information. ISNetworld communicates health and safety standards and provides a method for subscribers to house documents, measure, compare and benchmark health and safety statistics, and provides a method of evaluation and communication between companies and their contractors. Contractor/suppliers also use the system to manage training and record keeping requirements. For more information, visit www.isnetworld.com.
