Joseph Eastin Elected President of ISNetworld

Dallas, TX, November 1, 2006 – ISN Software Corporation (ISN) announced today that its Board of Directors has unanimously elected Joseph Eastin to be President of ISN. Mr. Eastin joined ISN on October 1, 2001 as Executive Vice President.

Bill Addy, Chairman of the Board of Directors, said, “Under Mr. Eastin’s leadership, ISN has been transformed from a niche software and service company to the North American leader in contractor compliance record management and reporting. This promotion is in recognition of the great strides made in the past and reflects our confidence in Joe to lead the company in the future.”

ISN Software Corporation, through its flagship ISNetworld product, automates the relationship between contractors and their owner/operator customers in North America’s most capital-intensive industrial sectors. ISNetworld utilizes third party data wherever possible to create an added level of compliance record management and reporting integrity. For more information, visit www.isnsoftware.com.
